A Narrow Escape.

### Swimming Pool Needed.

When Judge Sadler, of Chicago asked if Oregon had a municipal swimming pool, we were forced to answer the question, at least to our-

could be dispensed with thereby Albany, Indiana, February 28, 1851. saying about \$100. We spend \$2000 a pear for Chautanquas to get new ideas. Here is a permanent one costwild we ought to work will. What with her surviving sister, now Mrs. is the use of an idea inless it has a provided amplication?

The father gave his life in the Civil

Our idea is this list that the citations of the community denate the amount for the pool. 2nd, that the maintenance of the pool which would mean the furnishing of water be asked of the city. 3rd, that the school board give permission to place it upon the school grounds with that every man, woman and child in the severy man, woman and child in the city. 3rd, that the school grounds with that every man, woman and child in the city in the school grounds with that the severy man, woman and child in the city. 3rd, that the school grounds with that the school grounds with the children, Andrew D., Carl J. and Oster that the city is also survived as a city in the city. 3rd, that the school grounds with the city in the city in the city in the school grounds which would be caused. In 1875, the deceased was married to Philip Schulte, who with three children, Andrew D., Carl J. and Oster the city in the city in the school grounds which would mean the furnishing of water be asked of the city. 3rd, that the school board give permission to place it upon the school grounds with that the city in the school grounds which would mean the furnishing of water be asked of the city. 3rd, that the school board give permission to place it upon the school grounds with the city. 3rd, that the school grounds with the city in the city every man, woman and child in the community have the free use of it. community have the free use of it. summer and winter, as long as it can summer and winter, as long as it can Funeral services were conducted be kept open, the weather permit-5th, a committee be selected

body that can be indulged in. It is being taught in many colleges, universities and public schools and is a requirement for graduation from those institutions. Is Oregon going to be slow in adopting these new ideas? Is she going to turn a deaf ear to the crying needs of the community? Is her citizens going to for duty is to her boys and girls in seeorganized and well equipped play-

Woman's Union is backing this and will, no doubt, do much towards

of the Violet Crown, but we like to think of Oregon as a City of the Bird, Hiram Weller. Laurel Crown, an emblem of achieve ment. Where do you stand, citizens of Oregon, will you help to add this to our achievements? Let's get busy X. X. X.

\_If any one one thinks Holt county is not THE most productive country in the world, the Valley of the Nile not excepted, we only ask them to take a look at a stalk of sweet corn, of Stowell's Evergreen variety, in front of THE SENTINEL office, that has six well formed ears. It was raised by Charles Cowan, of this city.

—For Sale—A Crown Piano, with guitar attachment—good as new. Call on or address, D. N. Garner, Forsalsed by Charles Cowan, of this city.

## With Sickle Keen.

selves, that we had not Since that time the proposition of a municipal swimming pool has been investigated and agreat many of the citizens have come to the conclusion that such a thing would be mer with the hearty support of all in the community. An open air pool of standard size, 20 by so feet, four feet deep at one and and 51 feet at the other, with a filtering system would cost between \$500 and \$500. If the city would fornish the water so that it could be changed every week the filter system could be dispensed with, thereby although any findiana, February 25, 1854.

ing less than half of one Chautanena, a daughter of John Hofmann, and

from the family home on Sunday last, 22d inst, by Rev. ercise for the development of the here were her sister, Mrs. Louisa Schulte, and nieces, Mrs. Leona Zeller, and Mrs. Carrie O'Fallon: nephews, William and George Schulte

## The Maitland Band.

There is one thing which is a sure inder to the spirit of a town is that of a good band, and Maitland surely has ted his aunt, Mrs. C. B. Rayhill, and get that they were ever boys and en the right spirit, for it has one of the joyed the "old swimming hole?" Is best band organizations in this part she going to forget that her first of the state, and is composed of 2 pieces. It is the official 11th brigade ing that they are trained in a safe band of the W. O. W. of Missouri and and same manner? She needs a well Kansas. Its leader and director is J. H. Walker, who is employed by the ground with this, and we hope that organization, and gives his entire ill come later.

The welfare committee of the the instrumentation of the band:

Piccolo: C. B. Spangler. Cornets: J. H. Walker, E. B. Stout They say that Athens is the City Lyons, Fabian Weller, Homer Henry. Clarinets: Harold Wagner, George

Altos: Dr. E. D. Patterson, Harry Summers, Ernest Bundy, Marvin Nowland.

Trombones: T O. Moss, J. E. Hodgin, Fred Southwell. Tenors: Elmer Bundy, Harry Mc-Ginniss

Baritone: N. B. Stevens. Tubas: W. E. Hodgin, Ira Chapple. Drums: Frank Smith, R. S. Now-
